

## **PRET A PORTER**

Brent Ray Fraser dips designer clothes in paint and stamps them across canvases and fashions garments into sculptures. He accents his works with headlines from newspapers' business sections. Fraser's paintings recently clad the walls of the 2009 Juno Awards' Rock Star Lounge, and he's worked in the past for Louis Vuitton. His Pret-A-Porter show runs at the Eastwood Onley Gallery at 2075 Alberta St., Sept. 18 to Oct. 2. For more information, see [www.brentrayfraser.com](http://www.brentrayfraser.com)
