EXHIBITS: Fascinating look at art throughout autumn

BY STUART DERDEYN, THE PROVINCE SEPTEMBER 10, 2009

23. Prêt-A-Porter

Where: Eastwood Onley Gallery, 2075 Alberta St.

Why: Brent Ray Fraser presents a "rock 'n' roll fashion art event." Taking expensive high-fashion garments and transforming them into something uniquely different, this artist aims to leave a stamp on both the garments and you. Several pieces address the current socio-economic times and its connection to look and image.
